Interdisciplinary educator and creator working at the intersection of classical fine art, 3D technologies, and high-end craftsmanship. I bridge the gap between traditional artistic foundations and contemporary digital practices, training students not just in technical skills, but in conceptual visual thinking and independent portfolio development.

AREAS OF EXPERTISE

FINE ARTS & BASE

Drawing, Painting, Composition, Perspective, Anatomy, Illustration, Graphic Arts

3D & DIGITAL PRODUCTION

3D Sculpting, CG Art, Digital Production, Commercial Video Production

CRAFT & MATERIAL

Jewelry Design, Cloisonne Enamel, Mixed Media, Sculpture, Pottery

MENTORSHIP

Portfolio Development, Art-direction, Interdisciplinary programs for teenagers

PROFESSIONAL EXPERIENCE

Independent Visual Arts Educator

2022 – Present

Freelance CG Artist & CG Producer

2020 – Present

Founder & Studio Artist — Private Art Studio

2015 – 2020

— Curated Interdisciplinary Programs: Designed and executed original educational tracks for teenagers, blending traditional fine art with contemporary creative media.

— Specialized Workshops: Conducted intensive masterclasses in visual thinking, advanced perspective, composition, and authentic cloisonne enamel techniques.

— Mentorship: Guided students through portfolio development for international creative admissions.

— Digital Sculpting & Assets: Developed high-fidelity 3D sculpts and assets for commercial, gaming, and artistic projects.

— Creative Production: Managed the production pipeline for commercial videos, international marketing campaigns, and branding concepts.

— Packaging Illustration: Created bespoke illustrations and concept art for premium product packaging.

— Business & Art Direction: Launched and managed an independent, self-sustaining art studio.

— Collection Launch: Designed, manufactured, and marketed author's jewelry collections and mixed-media sculptures.

— Community Building: Hosted regular studio workshops, creating a hub for local artists and art enthusiasts.
